

Red Bird Dental Clinic is searching for a trained Dental Assistant ready to join our team as we help meet the health care needs of our community. The Clinic has recently completed physical renovations to each operatory in order to help ensure the health and safety of our staff and those that we serve. The duties of a Dental Assistant will include, but not be limited to: assisting the Dentist during a variety of procedures; taking dental x-rays and impressions; communicating with the patients to obtain necessary information, help get questions answered, and schedule appointments; and providing oral health care instructions. The Assistant will also be using software to chart procedures, schedule appointments and assist with billing. Experience with Eaglesoft is preferred.
