

JOB OPENING

Red Bird Mission has an opening for an ECD childcare worker. This position will assist the program by preparing meals/nutrition for children, maintaining their hygiene, monitoring them for health, behavioral and emotional concerns, providing them with age-appropriate instruction, and working with parents to ensure that children are learning and socializing in a positive way. They will also assist with sterilizing toys and play areas and other duties to ensure that the children are in a safe, engaging, and clean environment.

Because this position works with a vulnerable population (infants and small children) Red Bird Mission's Healthy at Work protocol requires that the employee be fully vaccinated and stays up to date with Covid 19 boosters that are recommended. The employee will also be required to follow other Red Bird Mission policies and procedures along with State and Federal requirements of the position.

For more information contact Human Resources at 606-598-3155. You may also request an application or submit a resume to hr@rbmission.org
